

Kiwa UK Regulation 4 (KUKreg4) Approval (ATS3)

Certificate number 2009702
Date issued 1st September 2020
Date expired 31st August 2025 Original/Amendment Original

Description: Range of steel bodied expansion vessels with an EPDM membrane, having a white external coating and blue epoxy coated inlet connections. Maximum working pressure see model list. Maximum operating temperature 100°C.

UK Approval
Issued by Kiwa Watertec

Product Designation: Please see attached approval letter for full range of models.

This is to certify that the above range of products manufactured/supplied by

Company name: Flamco Limited

Has been tested and found to comply with the requirements of the Water Supply (Water Fittings) Regulations 1999 for England and Wales, the Water Byelaws 2014, Scotland and the Water Regulations, Northern Ireland.

This certificate must be read in conjunction with the acceptance letter for this product.

This approval is intended for compliance with the above Regulations and must not be considered equivalent to the product certification provided by Kiwa N.V.

To comply with the Regulations and Byelaws all products require the correct installation. Details of the installation requirements (IRNs) can be obtained from the acceptance letter supplied with this certificate.

Applicable IRNs for this certificate: R001
